

Arizona TAX CREDIT Donation

The State of Arizona allows its taxpayers to contribute money to public schools and deduct the amount from their state tax bills. This means that PPEP TEC can provide extracurricular activities that would not take place without your help. Please support our efforts to provide an enriching educational experience for our alternative public charter high schools across Arizona.

Participating Schools

(Please circle the school for which you would like the credit to apply, and return with your check or money order paid out to PPPE TEC High School)
